Sew Comfortably!

Auto Needle Threader

The needle threader easily threads the needle and allows you to start sewing quickly.

Start/Stop Button

The color of the Start / Stop button indicates the status of the machine.

Reverse Stitch, Reinforcement Stitch

HZL-H series can sew a lock stitch at the beginning and end of sewing. There are two types of lock stitch, reverse stitch and reinforcement stitch.

Direct Pattern Selection

There are 10 types of stitch patterns, from which you can choose one by directly pushing the pattern button.

Sew Firm!

Needle Up/Down Position Button

Press the button to change up/down position of needle instantly. Also you can change needle stop position and can even sew a half stitch.

Buttonhole

HZL-H series sews the buttonhole automatically according to the size of the button.

Presser Foot Pressure

When sewing thin or thick fabrics, you can get comfortable feed.
