hobbylock™ 2.5

Sew, trim and finish edges in one step!

Fast and perfect!

Velvet, wool, terry cloth, silk, denim, cotton or stretch fabrics - the PFAFF® hobbylock™2.5 overlock machine offers a variety of suitable stitches. Perfectly finished edges with seams that stretch when you move. The PFAFF® hobbylock™2.5 overlock machine is perfect for most types of fabric whether it's lightweight knit or thick fleece.

Fantastic features and a wide range of stitches!

The new PFAFF® hobbylock™2.5 overlock machine is sturdy and easy to use. No need to worry about thread tension. The PFAFF® hobbylock™2.5 overlock machine has an Automatic Tension Dial (ATD), which sets the thread tension when selecting any of the 15 stitches - just start sewing. The large sewing area with a cutting knife mounted from below offers maximum convenience. Other great features include adjustable stitch length, differential feed, built-in rolled edge, 2-speed control levels, and much more.

Threading, quick & easy!

Colored threading paths are marked on the machine to make threading easy. Included with your purchase is an interactive DVD that clearly shows threading, step-by-step. This information is also available on www.pfaff.com!

Add attractive accents!

Discover the decorative side! Add attractive accents with the three-dimensional flatlock stitch. Or give your project even more appeal with eye-catching decorative threads. Let yourself be inspired.

Perfectly even seams thanks to Differential Feed! Two rows of feed dogs eliminate the stretching or puckering of seams.

Create exclusive accents with decorative stitches! There's a variety of additional accessories to help you achieve that special look. Visit www.pfaff.com for more info.
