Emerald

Personalized by you. Sewn with *Emerald*.

The Husqvarna Viking Emeralds are a family of machines ideal for all types of sewing; from a beautiful, one-of-a-kind dress to curtains that duplicate those seen in a magazine.

The Emeralds; model 122, 118 and 116, have many practical features you will love; i.e. the built-in needle threader, a handy Sewing Guide Reference Chart, a hard cover for storage and an effortless one-step buttonhole.

Better yet, the Husqvarna Viking Emeralds are electronic machines that give you full piercing power when you sew. Emerald 122 and Emerald 118 let you adjust your sewing speed. Plus, you decide if the needle stops in the up or down position when you stop sewing.

There is an Emerald that matches your sewing needs and will bring you years of fun and easy sewing!

SWEDISH DESIGN

The Emeralds are sturdy, reliable sewing machines designed in Sweden. The Emeralds are precious gems and are beautiful too.

PERFECT STITCHES AND BUTTONHOLES

When the urge to sew strikes, you want your sewing to be easy with beautiful results. That's why the Emeralds have a useful Sewing Guide Reference Chart with each machine. The Chart recommends the right presser foot, stitch length and width, thread tension and presser foot pressure for different fabrics and techniques.

Emerald 122 features 80 Stitch Functions for creative freedom, the 118 has 70 Stitch Functions and 116 has 60 Stitch Functions. Each Emerald offers utility, decorative and stretch stitches as well as a one step buttonhole. The stitch length and width can be adjusted.

A MULTITUDE OF ACCESSORIES

The Emeralds come with an accessory box, conveniently placed on the free arm, including three bobbins, a screwdriver, a seam ripper, a set of needles, a quilting guide and more. Emerald 118 and 116 have eight snap on/off presser feet. Emerald 122 has an additional three accessory feet; Transparent decorative foot for precise decorative stitching, Quilter's 1/4" piecing foot to create the perfect scant seam and a Gathering foot for easy ruffles and gathers!

There is also a wide variety of optional Husqvarna Viking accessories available so your Emerald can grow with your sewing skills and aspirations!

Creative sewing doesn't take a professional seamstress. This charming ensemble looks haute couture, but is made with some basic sewing techniques. Sew stylish! The dress, scarf and handbag are all original designs, but if you want to make it unbelievably easy; decorate readymade garments.

Freely sew all over your garment using your Emerald. Raw edge appliques are easy, too.

Trendy ruffles in organza are easy with the Emerald.

With your Emerald, sew beautiful belts from beautiful fabrics.

Decorative stitches add fun to your designs. Your Emerald has a nice selection to choose from.

Add lace to your creation with a narrow zigzag stitch. Your Emerald makes it easy.

Presser feet

Emerald 118 and 116: Utility foot A, Decorative foot B, Buttonhole foot, Adjustable Blind Hem foot, Zipper foot E, Non Stick Glide foot H, Edging foot J, Edge/Quilting Guide, Automatic Buttonhole foot.

Emerald 122 has all of these plus Transparent foot B, Quilter's 1/4" Piecing foot and a Gathering foot.

Need advice? Reach for your Sewing Guide Reference Chart!

Your Emerald features a simplified Sewing Guide Reference Chart that helps with the right settings. Pull it out from the base of the machine.
