PERFECTION STARTS HERE™!

For over 150 years, the PFAFF® name has stood for high quality, beautiful stitches and extra sewing precision. You can expect the same attributes from machines in the select™ line.

They are dependable sewing machines that live up to the PFAFF® name, with real PFAFF® quality at an affordable price. And reliable service is part of the PFAFF® promise after you leave the store with your new purchase. See your PFAFF® dealer for all of the details.

Mix and Match – Design pillows of various shapes and sizes. Combine patterns and techniques for a vibrant look. The select™ line delivers excellent stitch quality on all fabric weights and textures.

select™ 2.2

Powerful, versatile,
and convenient!

The select™ 2.2 is perfect for anyone who has been searching for a reliable sewing machine to turn sewing ideas into reality. With 27 quality PFAFF® stitches, you get perfect results with a wide variety of fabrics - even stretch fabrics!

You don't have to search for a stitch - with the **Easy select™ System** you simply press a button to choose a stitch. Stitch width can be increased or decreased during sewing.

Use the special free-motion sewing position for the presser foot to get the highest clearance for your free-motion quilting and stippling. It makes free-motion quilting so easy!

The select™ 2.2 is easy to use - and that's what sewing is all about. All this - and more - with the select™ line from PFAFF®!

select™ 3.2

With Easy select™ System
and the extra sewing
advantage: IDT™ System!

Absolutely even fabric feed from both the top and bottom.

Choosing the PFAFF® select™ 3.2 means choosing that extra sewing advantage that millions of sewing enthusiasts worldwide endorse: Original IDT™ System (integrated dual feed). Absolutely even fabric feed from both the top and bottom. The Original IDT™ System guarantees perfect fabric feed and perfect seams - with any fabric.

Choosing stitches couldn't be easier!

The Easy select™ System from PFAFF® makes it so easy to choose any stitch you want. Simply press a button and start sewing!

Only PFAFF® gives you perfect fabric feed with Original IDT™ System! PFAFF® makes the difference!

Patterns and plaids match exactly.

select™ line - PFAFF® Design

As easy as it gets!

**The Easy select™ System
Simply press and sew:**

The select™ line features the Easy select™ System. You don't have to search for a stitch - with the Easy select™ System you simply press a button and start sewing! Everything is clearly shown, with large, easy-to-use buttons featured on all three models.

The proven Easy select™ System from PFAFF® - simply a good idea.

LED light

Long lasting light source that illuminates your sewing projects with a crisp light.

select™ 4.2

Even more possibilities!

The ultimate in piecing perfection!

The ORIGINAL - only from PFAFF® for over 40 years!

Absolutely even fabric feed from both the top and the bottom.

The time-tested PFAFF® Original IDT™ System guarantee the optimal feed you expect, on all kinds of fabrics.

Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required.

The Original IDT™ System is exceptional for grasping and feeding small fabric pieces, for maximum precision and professional results. Your PFAFF® select™ line sewing machines move from a single layer to multiple layers effortlessly and even sew over bulky seams with no hesitation.

Only select 3.2 and select 4.2

The select 4.2 offers all the convenience of the select 3.2 plus a few extras that will make your sewing even more fun and creative.

You can choose from 40 different stitches, including a large variety of decorative stitches, for perfect results with any fabric. Threading the needle is so easy with the integrated needle threader, and PFAFF® Original IDT™ System guarantees absolutely even fabric feed from both the top and bottom.

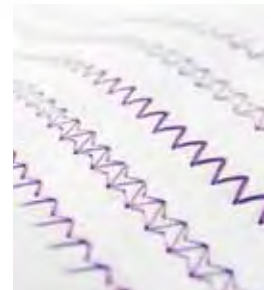

Extra accessories are included, like the Darning Foot, the Rolled Hem Foot and the Fancy Stitch Foot, to give you even greater sewing capability.

Compare the features and stitch tables of the three select™ models to see which one is right for you! Your PFAFF® dealer will be happy to assist you!

Easy threading!

No more searching for the needle's eye. The integrated needle threader makes threading easy.

Decorative stitches!

Add special accents with the decorative stitches available on the select 4.2. Fancy Stitch Foot included!

Special accessory tray with many accessories included:

Standard Presser Foot, EdgeGuide/Quilting Guide, Clearview Foot, Blindhem Foot, Zipper Foot, Buttonhole Foot, seam ripper, Free-Motion/Darning Foot, Rolled Hem Foot, Fancy Stitch Foot, and a needle sampler pack. Each accessory has its own slot in the accessory tray.

Sew professional buttonholes!

It's easy to sew professional buttonholes in any length!

Several layers?

The high presser foot clearance makes it easy to place several layers or thick fabrics under the presser foot. Extra-strong motor gives constant needle piercing power.

Many needle positions!

For precise topstitching, without having to move the fabric! Perfect for sewing zippers in place.

Lots of optional accessories available. Please visit your PFAFF® dealer or www.pfaff.com
